And inmates along with staff need to get Plaintiff out of the kitchen detail. Staff justify their discrimination toward Plaintiff through inmates and express their hate and racism against Garcia through Plaintiff. Compound officer R. Dear Mr. President,

By way of introduction. As for Associate Warden Ms. V. MOSER, I've heard of her dreams for succeed in the Bureau of Prisons. She has done everything to earn the respect of her staff and inmates in these prisons. I like her brightness, her energy, her vitality. And I like her guts. I think she has bigger balls than any candidate for a higher position. She's not afraid to piss people off. She's not afraid to do the right thing in order to keep this facility moving forward. She's the epitome of strong intelligent and a hard working woman. She will stop the abuse to protect the B.O.P.'s reputation. I respect her. Especially as a woman. It will be much harder for her that it is for any other person to sterr a facility. It takes a lot of balls but, she will do the job. I tthink a woman warden would be strong figure, and I think she would be more empathetic warden. It has nothing to do with her being a woman. It has everything to do with who she is.

Regardless, ~~of~~ her future work goals, she has spelled them out for this facility and others facilities around tne states. She's an outstanding person and an excellent Associate Warden and knows how to lead her staff in a positive direction. She's very concern in the FBOP quest for continuous staff improvement. She has becomes a person we consider to be quite reasonable, quite intelligent, might even enlightened in regard of her tremendous dedication and desire to be promoted to a higher position in the Bureau of Prisons.

With all these beautiful qualities Ms. V. MOSER, is worthy to be promoted by the President of the United States to a higher position in the Bureau of Prisons.

In awaiting of your prompt response, I remain. Thanks.

Respectfully yours,

Quinones-Cedeno v. K. BANKSON. Civil Action No. 3:20-cv-50

In regard to Health Service care on 01/21/2020 in Education Department. I was assessed by nurse Ms. K. BANKSON. Plaintiff was treated very unprofessionally, with discrimination, cruel and unusual treatment as nurse Ms. K. BANKSON, in charge of taking care of my condition. Acting outside of her position and responsibilities chose to ignore my issue at that moment mistreating me verbally by stating: "You have no medical issues" "You're fine to stay in Education" "Quit Bull-shitting"

Deprivation of (A) basic human need was objectively sufficiently serious. And objectively the nurse Ms. K. BANKSON, acted with sufficient culpable state of mind. However; nurse Ms. K. BANKSON, knows of and disregard an excessive risk to Plaintiff health or safety result of harassment Abuse of Power and Authority which could have been a heart attack symptom due to the stress caused by Education Teachers Ms. J. Ridemore and Ms. M. Bluewing under Education Supervisor Ms. M. Thompson and Forewarder P. Adams' Authority. It could've placed Plaintiff Life at risk. Which is sufficient to state of Constitutional Deprivation.

This Harassment and Abuse of Power and Authority violated the Eighth Amendment Right by nurse failure to provide adequate medical care for.

Obstruction of justice is an impeachable offence and can face serious consequences based in violation of my FIFTH AMENDMENT DUE PROCESS RIGHTS. It is a classic high crime. federal criminal law is very expansive on the topic. It punishes anyone who corruptly or by threats of force, retaliation, influence, obstruct, impede the Due Process Rights. This is excellent claim based upon the FIFTH AMENDMENT OF THE U.S CONSTITUTION.

Supporting facts:

On March 29, 2018, I was falsely accused of threatening another with Bodily/ Harm Refusing to Obey an Order of any satff. Incident Rpt. No. 3106188 Code 307, Case No. 939314-R2.

Due to this remedies ID. 918649-A1, exhausted on 05/23/ 2018 and ID. 939314-R2 from 04/04/ 2018, which was never exhausted by SERO Director in Atlanta, Ga. J.A. Keller, and now FCC Warden in Hazelton, WV., M.B. Antonelli. I was hit with a retaliatory prison transfer which triggered me on 05/18/ 2018. I was transferred from FCI Williamsburg, SC. to Oklahoma Detention Center, Ok. to FCI McDowell, WV. where I filed Civil Action No. 1:19-cv-00064, on Jan. 25, 2019, still pending in the Southern District Court of West Virginia (Bluefield Division,) by the way you can find documents concerning to remedy ID. 918649-A1, RI No. 3039907, Code 312 from October 02, 2017 and remedy ID. 939314-R2 IR No. 3106188 Code 307 from March 29, 2018, in the Civil Docket record from the first Amendment Complaint March 03, 2019. Alboulhons and District Judge Davis A. Faber, from Civil Action No. 1:19-cv-00064, pending in Southern District court of West Virginia. (Bluefield Division) by no having Southern District Court, WV., jurisdiction over those defendants in South Carolina and Atlanta, Ga. District.

STATEMENT OF CLAIM Parties- B- Page-8 Education Specialist Ms. J. Ridenour.

It is regrettable to see how M.B. Antonelli, FCC Warden and Paul Adams, FCI Warden are using females staff to get away with their exposures, Harsh, Abuse of Power and Authority.

It can be found that Ms. J. Ridenour, lied in the eyes of the video-tape in Education Department, on January 15 and February 26, 2020. It is an important tools for the administration to get away with wrongdoings but there is also a great opportunity for them to express dislike, hate and racism against Associate Warden A. Garcia, through Plaintiff, for being him an hispanic person doing his job.

These sanctions, as imposed unjustly in the UDC hearing by UDC Committee J. Rivera nad C. Magerko 01/21/ 20 and J. Rivera and D. Moyers on 03/04/ 2020 to Plaintiff (Read Exhibit B2) under those circumstances contravenes video-tape evidences which state in pertinent part that: prisoners have the right to present evidences for their defense including video-tape evidence.

It is a violation of Due Process to withhold or refuse to admit video-tape evidence during the prison disciplinary hearing process. The way to right wrong is to turn the light of truth upon them.

This is a continuing example of how this administration works together to impede Plaintiff rights and Abuse their Power and Authority. Such blatant actions are not only egregious but they are impeding Plaintiff right and ability to file his legal work. Same way they're putting this females' job at risk. Every staff member is being coerce to impede Plaintiff's ability to report complaints, filing grievances or file a lawsuit.

Respectfully your,

A handwritten signature in dark ink, appearing to read 'Lazaro Quinones-Cedeno', with a large, sweeping flourish underneath.

This case No. 1:19-cv-00064, continue open by having Southern District Court of West Virginia jurisdiction over defendants, Ms. Barbara Rickard ex-warden, Roldan Randan Lt. SIS and others staff in FCI McDowell, WV., who were obstructing my Due Process Rights by holding and withholding my remedies in violation of the Fifth Amendment of the U.S. Constitution, failing to deliver the remedy rejection notice in a timely fashion and by failing to provide notice of non-delivery, in support of FCI Williamsburg Warden M.B. Antonelli, now employed in FCC Hazelton, WV and SERO Director in Atlanta, Ga. J.A. Keller and others staff mentioned in my Amend complaint.

To the extent, staff in FCI McDowell, WV., were in violation of what FCI McDowell WV., captain Daniel P. Munn, stopped them from continuing to do. The Above obstruction of justice. Then retaliation ensued upon me and I become a victim of a conspiracy to get rid of captain Munn, by staff expressing their dislike toward Munn through me.

I was placed in the Special Housing Unit (SHU) on December 20, 2018, with a fabricated incident Rpt. No. 3204610 Code 307 ID 1007189-R1, pending now in the Office of the General Counsel, Bureau of Prisons, Washington, DC.

On August 08, 2019, Plaintiff was transferred to Federal Bureau of Prisons Holdover facility in Oklahoma, to be transferred to FCI Hazelton, WV., on August 12, 2019. On October 08, 2019, Plaintiff received a third missing box of his property with some legal documents and personal property, where a Court MEMORANDUM Opinion Order was found hidden and openned. A magistrate recommendation which Plaintiff never received. Same day Plaintiff received through the Mail Room the MEMORANDUM Opinion and judgment Order entered September 25, 2019. U.S. District Court David A. Faber, adopted the undersigned recommendation dismissed Plaintiff complaint, and removed Case No. 1:19-cv-00064, from the Court's active docket. (Read exhibit (e) Objection to PF&R MEMORANDUM.

Plaintiff avers if the magistrate recommendation was mailed by the court prison officials never gave the mail to Plaintiff. Prison Mail Room records in FCI McDowell, WV.,

will reflect no records by inspection, open in presence of inmate and signed by Plaintiff as have received Magistrate Recommendation.

On January 03, 2020, Plaintiff filed a letter form complaint in the U.S. District Court for the Southern District of West Virginia. (Bluefield Division). On February 12, 2020, the Civil Action No. 1:19-cv-00064 was transferred to Northern District Court, United States of West Virginia, because Plaintiff and named defendant M.B. Antonelli, now are both within the jurisdiction of Northern District Court of West Virginia. On March 16, 2020, Plaintiff refiled his complaint on the Court-Approved form, and it has been assigned to District Court Judge John Preston Bailey and Magistrate Judge James P. Mazzele.

I am caught in the crossfire of racism conflict between two opposing position (M.B. Antonelli & Paul Adams) against one faction (A. Garcia) within the rank of file of staff, expressing their hate, dislike, racism etc., toward Associate Warden A. Garcia for being him an hispanic person, he is doing his job.. Same happened with Captain Daniel P. Munn, in FCI McDowell, WV., facility (Read enclosed letters about him.)

I know that the Northern District Court of West Virginia, (Bluefield Division) does not have jurisdiction over those defendants in FCI McDowell, WV. and Southeast Regional Office in Atlanta, Ga., but it has jurisdiction over these defendants in FCI Hazelton, WV., facility.

Therein, lies the problem that brought me into this hostility by staff officials and officers in those aforementioned facilities and office. FCC officials and officers in those aforementioned facilities and Office. FCC Hazelton, WV. warden M.B. Antonelli, seems to be the core of this systematic pattern of corruption, harsh Abuse of Power and Authority, obstruction of Justice against, trying to get away with his exposures by putting his staff's job (Mainly females) at risk to save his spoiled, corruptive administration.

I understand that I am caught in the crossfire of a racial conflict between two opposing positions against one faction within the rank of file of staff. This should not be! And it appears that there is a connection that leads to Complex Warden B.M. Antonelli's influence along with Warden Paul Adams. Their circles of influence seem to affect me in all negative manners having continual and repeated problems to report for pursuing my issues in this Harsh Abuse of Power, and Obstruction of Justice in the aforementioned Civil Case. Case point, I can't get the warden or my unit team to assist me with my issues. The (FBOP) needs to remove bigoted staff officials and officers with history of misconduct for psychological evaluations. They are a waste of Tax-Payers' and Treasury Dollars.

It is unfair putting me through all this harassment and hostility to get rid of Associate Warden, A. Garcia, who stopped the administration for controlling and tampering my Legal Mails. To enable this abuse of power and obstruction of justice to continue in violation of my rights and other prisoners' rights. To the extent Associate Warden A. Garcia was the one who helped me find the hidden box of property, on Sept. 25 and October 07, 2019, that was "lost" in the property room, where, within my property, I found the "PROPOSED FINDINGS AND RECOMMENDATIONS" dated June 26, 2019, which was dismissed September 25, 2019, by Senior United States Magistrate, David A. Faber.

Since then, I've become a victim of harassment and retaliation by education specialists; Ms. Bluemling, Ms. J. Ridenour, Ms. O. Brown, Mr. Glotfelty, who, in conjunction with Education supervisor, Ms. Thomkins, have been obstructing me with their harassment by continuing to prevent me from pursuing this Civil Case, by stopping me repeatedly, and harassing me over my research on this case.

I am in the middle of a crossfire of a conspiracy against the daily effort and sacrifice of Associate Warden A. Garcia, to keep a safe, secure and worthy FCC Hazelton by administrative officials and Complex warden B.M Antonelli, and FCI Warden Pauls Adams are very implicated on it.

Herein; they knowingly, intentionally, and absolutely, in an outrageous aspect combine, conspire, confederate, and agree with one another, and other staff members, whose names are known and unknown in my complaints to get rid of A.W. A. Garcia., for being Hispanic. It is part of the ways and means of the conspiracy, that M.B. Antonelli leads the conspiracy along with J.A. Keller, SERO Director in Atlanta, Ga. FCI Warden Paul Adams, the whole SIS Department staff, Education Supervisor Ms. Thompkis, Education Specialist Ms. M. Bluemling Ms. J. Ridenour, Unit Manager J. Rivera,, Lt. C. Troutman,, correctional officers, Bennet, Fabery, Davis, Compound Officer R. Rickart, Nurse MS. J. Resh, forman cooks T. Thorne, and Hall, and other staff and officers known and unknown in my complaints.

They feel such traitors found guilty of treason and worse yet, cowardice violating prisoners, rights with intentional misconduct, by putting the (BOP) integrity and reputation at risk. Please understand that Associate Warden A. Garcia, represent a BIG THREAT TO M.B. Antonelli, Complex Warden and to Paul Adams, FCI Warden. He is performing his job with spirit of love, care and respect to preserve the safety of the staff and inmates as the greatest priority of secure running operating Complex. Which I've become a victim.

Please, once again send a FEDERAL AGENT INVESTIGATOR to speak with me. I may know something that you don't know and I'm quite limited to say it in my letter for security reasons. This is a messy situation. If the fact reveals that Associate Warden A. Garcia, neglect his duties as an A.W., let him become known as the OBSTRUCTOR IN CHIEF, Let staff and officers see that he is the one who the (BOP) needs to reject, now. Otherwise; please, let him become known to you as someone who is extremely thoughtful, very

bright with a tremendous dedication and organizational skills, to be in command of Hazelton Federal Correctional Complex, in West Virginia.

Respectfully yours,
